Metalon

**The Project**

The Dunedin City Council needed a comfortable and functional meeting arrangement. Metalon supplied Buro Seating chairs and created custom-made tables to be mobile and allow for different meeting configurations.

**Product Featured**  
Buro Metro II  
Nylon Base with Arms  
Buro Essence, Black

Metalon's team evaluated various products before selecting thirty Buro Metro II office chairs and ten Buro Essence visitor chairs for their ergonomics, strength, and support.

**Completion Date**  
November 2022

The collaboration between Buro and Metalon resulted in a successful meeting room solution for Dunedin City Council. Buro's ergonomic furniture, coupled with Metalon's local expertise and customised solutions, provided the council with a custom-made solution that superceded their requirements.
