The Linea Chair is designed for multi-use conference rooms where a bulletproof vertical stacking chair is required. The chair comes standard with easy-to-use, unobtrusive side to side linking, and will stack vertically when not in use – perfect for conference rooms where reconfiguration is not a nice to have, but a functional necessity.

Features

- Premium one-piece shell
- Ultra strong Steel frame
- ANSI/BIFMA tested to 140kg
- Elegant linking mechanism at seat height
